The Student Petition (October 17, 1906)

The students of Sweet Briar College, believing that there is dignity and honor in student government, desire individual and community responsibility for the conduct of students in matters not strictly academic.

We, therefore, petition the President and Faculty for legislative

and executive control in certain matters. We ask:

- I. Right to control quiet and order in all places about the buildings and campus that are not under the immediate control of a member of the Faculty.
- II. Permission, with the advice and approval of the Faculty, to extend our power as occasion arises and we prove worthy to be vested with greater power and authority.
- III. Permission to make such additions to the above as we may feel are necessary, with the consent and approval of the President and Faculty.

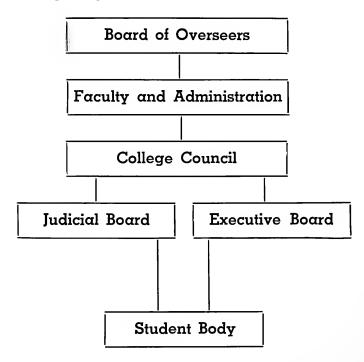

The Reply of the Faculty (October 20, 1906)

The Faculty of Sweet Briar College endorses most cordially the desire of the student body to assume responsibility for the conduct of individual students in non-academic matters. Therefore, the Faculty accords permission to frame a constitution embodying laws regulating the points specified in the petition—said constitution to be submitted to the Faculty for endorsement.

Spheres of Authority

The concept of "spheres of authority" has been made the foundation of the Constitution of the Student Government Association because it was felt that control of community life falls naturally into four areas: that primarily of Student concern, that of joint Faculty-Student concern, that primarily of Faculty concern, and that primarily of concern to the Board of Overseers. The drawing-up of the Constitution was a cooperative venture between the Students and the Faculty, and its adoption rested upon ratification by both groups. The Grant of Powers and the Constitution, By-Laws and Regulations reflect not only the

quatrapartite concept, but also the philosophy that responsibility breeds a sense of responsibility. The goal of this endeavor is heightened cooperation between Students and Faculty in the interest of the College and its component parts.

I. In the Student Sphere, the organs of government are:

The Legislative Body, made up of the Association as a whole

The Executive Board

The Standing Committees

The Judicial Board

II. The authority entrusted to the *joint Faculty-Student Sphere* is exercised by the College Council, possessing both legislative and judicial jurisdiction. In its legislative capacity the College Council

meets monthly whereas in its judicial capacity it meets only when necessary.

III. In the *Faculty Sphere*, the Faculty shares with the administrative officers of the College the responsibility for the academic and social welfare of the College. It provides the instruction given; through its Executive Committee and other standing committees, determines the content of the curriculum; and carries on the academic business of the College.

IV. The *Board of Overseers* has responsibility for active oversight of the College.

Grant of Powers

In response to the request made by the student body in January, 1965 that the Constitution of the Student Government Association of Sweet Briar College be revised, a committee composed of representatives of the Faculty and the Student Government Association was formed to suggest revisions. The revised Constitution is based upon a shift in the original Grant of Powers. The revised Grant of Powers is as follows:

A. The Faculty of Sweet Briar College, in accordance with the authority vested in it by the Board of Overseers, is asked to entrust to the Student Government Association the power to revise and interpret in the following areas of regulation:

- 1. Extracurricular Activities
- 2. House Regulations
- 3. Dress Regulations

The Faculty is asked to entrust to the College Council the power to revise and interpret policy in all areas save those reserved to the Board of Overseers, the Faculty and Administration, and the Student Government Association.

The Faculty is asked to retain the power to revise and interpret in the following areas of regulation:

- 1. Academic Regulations, including absences
- 2. Hazing Regulations

The Board of Overseers would retain the following areas of regulation:

- 1. Drinking Regulations
- Secret Organizations

B. The Faculty would reserve the right to withdraw all or any part of the power granted if it finds that the power is being abused. Notice would be given before such action would become effective.

Preamble

Whereas, we, the students of Sweet Briar College, understand that all authority originates with and is delegated by the Board of Overseers, and

Whereas, we, as members of a community devoted to intellectual pursuits, do individually and collectively desire to assume responsibility for the welfare of students in that academic community, and

Whereas, we believe that such responsibility promotes the best interests of the College and prepares the students to take their places in a democratic society,

We do hereby, with the consent of the Faculty and Administration, adopt the following Constitution and By-Laws.

Statement of Policy of Sweet Briar College

Any student accepting a place at Sweet Briar College should know that the College will not tolerate extremes of social behavior which are injurious to the individual, the community or the College. The misuse of alcohol or drugs and sexual behavior which affronts contemporary moral standards will not be condoned.

The President's judgment suffices in dealing with incidents in these areas, and the penalty of suspension or expulsion may be used at her discretion.

The President and the Deans will be willing to clarify the College's interpretation of the above statement as well as its definition of acceptable behavior in particular circumstances.

Any student unwilling to acknowledge such authority on the part of the College is advised to withdraw.

The Honor System is based upon the fundamental belief that harmony in community living is best achieved when it has as its basis honor and mutual trust. Each student at Sweet Briar is thus required, under pledge, to govern her behavior according to the standards and principles set forth under the Honor System. Realizing that the following are standards by which our society, both on and off campus, is governed, the student is under obligation to uphold them:

- 1. Integrity of one's word
- 2. Respect for the property of others
- 3. Honesty in academic work (including preparation of classroom work, papers, laboratory work and notebooks, test and examinations)
- 4. Responsible judgment and discretion in one's conduct.

THE HONOR PLEDGE

After passing the Student Government test at the beginning of her first year at Sweet Briar, every student is expected to sign the honor pledge, without reservation, indicating that she will adhere to the principles of the Association as long as she is a member thereof.

I PLEDGE THAT I WILL GUARANTEE THE VALIDITY OF MY WORD, MAINTAIN ABSOLUTE HONESTY IN MY WORK, AND RESPECT THE PROPERTY OF OTHERS. REALIZING THAT THESE STANDARDS ARE AN INTEGRAL PART OF LIFE AT SWEET BRIAR, I HEREBY ASSUME MY OBLIGATION TO UPHOLD THEM AND TO ABIDE BY THE REGULATIONS OF THE COLLEGE. I WILL REPORT MYSELF AND ASK OTHERS TO REPORT THEMSELVES FOR ANY INFRACTION OF THIS PLEDGE.

When a student signs the pledge, she automatically gives up the right of private judgment as to which of the regulations she will uphold. By signing the pledge, she promises to uphold each one of the Sweet Briar regulations, realizing that each is important to her safety, to the community as a whole, and to the ideals of the College.

When every member of the Sweet Briar community adheres to the above principles, we insure and preserve a free community in which we move without restraint and in common trust of one another. The student will thus find the most freedom within the campus society if she is in accord with its standards of procedure and behavior. Whether or not these regulations are consonant with those she has experienced before entering college, by signing the pledge she makes herself responsible for regulating her behavior within the limits set until they have been changed through orderly process. Adherence to the principles of the Honor System and the regulations therein is absolutely necessary for harmonious community living.

In order to avoid external controls as much as possible we depend upon certain means of self-enforced discipline.

- 1. The student must record and report herself for her infractions of the Sweet Briar regulations. If there is cause to think that specific infractions are occurring, judicial representatives in accordance with judicial procedures, have the power to ascertain whether or not this is true.
- 2. The student is first of all responsible for her own behavior. If she witnesses a breach of the regulations or of good conduct, she is honor bound, by signing the Pledge, to ask the offender to report herself. If the offender fails to report herself, it is within another student's power to report to the proper Student Government officer. Signing the Pledge does not commit a student to report an offender, but it does commit her to ask the offender to report herself.
- 3. Certain rules concerning smoking and drinking were made for the safety of students and with the welfare and atmosphere of the campus in mind. A breach of these rules will be treated with the utmost severity (e.g., suspension or expulsion).
- 4. The following infractions are recording offenses. All other infractions or regulations must be REPORTED to the proper judicial representative.
 - a. Signing in under ten minutes late on the housebook (not on a late permission or pink slip)
 - b. Forgetting to sign out or in on the housebook unless you are absent for more than two hours without notifying the college
 - c. Leaving Charlottesville or Lexington after the specified time.

THE HONOR REGULATIONS

I. Academic Regulations

THE VALIDITY OF THE SWEET BRIAR DEGREE DEPENDS UPON THE INTEGRITY OF THE WORK WHICH IT REPRESENTS. Therefore principles of academic honesty are an essential part of the Sweet Briar Honor System. In accordance with these principles the following regulations have been established:

A. Examinations and tests

- All tests and examinations are given under the Honor System.
 The student's signature signifies that the information given is
 her own on a test or paper. It is regarded as a guarantee of
 honest work.
- 2. It is suggested that only those materials needed for the examination be brought into the examination room. For their own protection students are advised not to bring notebooks into classrooms where tests and examinations are to be held.

B. Papers

Students shall give due and appropriate acknowledgment of the work of others when that work is incorporated into the writing of their own papers. Any form of plagiarism violates the integrity of the student's work. In cases of doubt, students should ask instructors, and instructors are requested to be definite and explicit in explaining the proper procedure for the work involved.

- Quotations must be clearly marked and sources of information or of ideas or opinions not your own must be indicated clearly in all written work. This applies to paraphrased ideas as well as direct quotations.
- Unless otherwise directed, every student working in a laboratory is expected to make all necessary measurements, drawings, etc., from her own independent observations of the material provided.

C. Instructor's procedure upon infraction

- 1. If an instructor observes a possible breach of academic honor he should promptly confer with the student involved.
 - a. Unless convinced that no such breach has occurred, the instructor should urge the student to report the affair to the Judiciary Chairman of the Student Government Association.

- b. If the student neglects to do so promptly, the instructor should so report the case himself.
- 2. When consulted by a student concerning suspicious work which she has observed, the instructor should advise the student to discuss the case with the Judiciary Chairman.
- 3. If an instructor is in doubt about the best procedure in a given case, he should consult the Dean or the President of the college.
- 4. Expulsion, suspension, and, in the case of academic matters, suspension of pledge shall be recorded on the student's permanent record. In either of the latter two cases the record of the penalty shall be expunged upon the granting of a Sweet Briar degree.

II. Library Regulations

- A. All library material must be signed for at the desk before being taken from the building.
- B. Reserve books must be replaced on the proper shelves and may not be removed from the library until the time designated.
- C. Disregard of library regulations concerning reserve books and periodicals is a Student Government offense. (You are especially reminded that the removal of any library book under any circumstances not included under library regulations shall be considered as a serious breach of honor.)
- D. All library regulations apply also to the departmental libraries in Babcock and Guion.
- E. For further information about library conduct see pp. 81-82.

III. Drinking Regulations

- A. There shall be no drinking at Sweet Briar College either by students or by their guests.
- B. Students may not have alcoholic beverages in their possession on campus. This includes keeping such beverages in registered student cars.

Note: Although the Association does not undertake to give legal advice, it wishes to call the attention of everyone to the Virginia State Law concerning alcoholic beverages. According to this law, it is a misdemeanor (1) for any holder of a license to sell any

alcoholic beverages to any person who is less than twenty-one years of age, (2) for any person under twenty-one years to falsely represent his age to be twenty-one or older in order to purchase alcoholic beverages and (3) for any person to purchase alcoholic beverages for another person who he has reason to know is under twenty-one years of age. Beer with an alcoholic content of 3.2 may be sold to those 18 years of age or older. Students while residents in Virginia are expected to conform to this and all other laws of the state.

IV. Fire Prevention

- A. No fire may be made in any room.
- B. No candles may be used in the dormitory rooms. Permission to use candles in the parlors or common rooms must be obtained from the Assistant to the President of the College, and any question of fire prevention should be referred to him.
- C. Nobody may sit on fire escapes; nothing may be placed on the fire escape or ladders.
- D. A false ringing of the fire alarm is an extremely serious offense and will be treated accordingly.
- E. Smoking is permitted only in the following places:

 - 2. The roads leading off the immediate campus except the road to the gate. These include the main road to the lake and Elijah Road beyond the fork.

All students are expected to be familiar with the academic regulations and procedures in this section, which consist of excerpts from the Handbook of Faculty Rulings. Other faculty rulings will be found in the catalog of the College. A student who does not understand any ruling should consult the Dean. Ignorance of the regulations will not be an acceptable excuse for failure to comply with them.

I. Registration, Changes of Program, Schedules

- A. 1. Registration of students in course takes place in the spring semester at a time designated by the Recorder. Registration of transfer students and of former students returning after a term of absence takes place during the opening week of the academic year.
 - 2. Freshmen must submit their choice of courses to the office of the Dean by July 15 and will be registered in advance of opening week, their program being subject to changes which may be made as a result of placement tests or for other acceptable reasons.
 - 3. The registration of all students must be completed before the first scheduled class of the academic year and all students are required to attend the Convocation at the opening of the year. Rooms will not be held for students beyond the hour set for Convocation, unless an acceptable excuse has been presented to the Dean before that time.
- B. 1. For students in course, changes of program for either the first or second semester may be arranged after the scheduled registration period and until May 1 by a revised schedule card signed by the adviser or major professor.
 - 2. After May 1 and until September 1, the Dean may permit changes of program for the first semester. A fee of \$10 will be charged. No changes of program may be made between September 1 and the end of the first day of classes in the first semester. Necessary changes may be made, with the approval of the Dean and on payment of a fee of \$10, between the second day of classes and the end of the second week of the semester.
 - Changes for the second semester may be made between May 1 and December 1. For changes made after December 1 a fee of \$10 will be charged.

- 4. In case of the failure of the student to secure a passing grade in a first semester course, a necessary change in program may be made in the first week of the second semester. No fee will be charged in such a case.
- 5. The Dean is empowered to waive the fee in any case if in her judgment this is justified. The fee will be waived in the case of new students for their first year in the College and, in the case of students returning after a term of absence, for any changes made during the first semester.
- 6. A student may not enter a course later than the end of the second week of a semester. A student who drops a course after the fourth week of the semester, or, in the case of a first semester freshman, after the eighth week, automatically incurs an F in that course. Exceptions may be made by the Dean at her discretion or on the recommendation of the College Physician. Such exceptions shall be reported to the Executive Committee of the Faculty.
- 7. A change of program is not valid until the completed form is presented to the Recorder by the student.

II. Courses of Instruction, Hours and Credits, Requirements for Graduation and Class Standing

- A. 1. The announcement of courses to be offered shall each year be presented by every department to the Committee on Instruction for its consideration and recommendation to the Faculty which must approve all course offerings.
 - No change from the catalog announcement of credit hours or number of hours of meeting may be made without the approval of the Committee on Instruction.
 - 3. In courses where additional hours may be taken for credit, the additional hours must be taken concurrently with the course. The permission of the instructor for the extra hour or hours must be given in writing to the Recorder.

 - A copy of each course examination, both mid-year and final, must be filed in the Recorder's Office.
 - 4. Course examinations are normally of two hours' duration and must be terminated promptly. An instructor who wishes to give an examination of longer duration must request the prior approval of the Dean.
 - 5. All course work must be completed by the last day of classes in each semester.
- C. 1. If, preceding an examination or hour test, a student feels ill, she shall report immediately to the Infirmary. If the College Physician determines that the student is unable to take the examination or test on schedule, the instructor, in consultation with the College Physician, shall determine the time and place for a deferred examination or test.
 - 2. If a student is in the Infirmary at the time scheduled for an examination or test, she may, with the permission of the Physician, take it in the Infirmary. By arrangement with the instructor, however, she may take it at a later time after she has left the Infirmary.
 - 3. Examinations and tests taken in the Infirmary are conducted under the honor system.
 - 4. If a student is absent from an examination for reasons other than health, she must forfeit credit for the course unless she presents for such absence an explanation satisfactory to the instructor and the Dean. If she is absent from a test without a satisfactory excuse, she will receive a grade of F for the test.
- D. 1. Every candidate for the degree must pass a comprehensive examination in her major subject. The examination shall be given in the final semester of the senior year at the time specified in

- the official Calendar. It will not be given at any other time nor at any place except Sweet Briar.
- 2. The grade for the comprehensive examination shall be recorded as "With Distinction," "Satisfactory" or "Unsatisfactory."

If the final grade is an F, the instructor shall decide whether both semesters or only the second semester must be repeated before a final grade may be given for the course.

 - 3. A grade of E (Condition) indicates that, in the judgment of the instructor, the student should be given an opportunity to present further evidence of her proficiency before receiving a final grade for the course because (a) after doing satisfactory work she has failed a final long paper or examination; or (b) her work, while not clearly failure, is not of passing quality, yet a repetition of the course is not desirable.
 - 4. An E (Condition) on the first semester's work in a year course may be removed by passing a re-examination to be taken within the first two weeks of the following semester. At the discretion of the instructor, a student may be allowed to continue in the course without a re-examination; and if the final grade is C or above, the Condition shall be regarded as removed.
 - 5. An E (Condition) on a one semester course or at the end of a year course may be removed by repeating the course or by passing a re-examination within the first two weeks of the following semester. The re-examination must be taken at Sweet Briar. If the student fails to remove the Condition by either method, a grade of F shall be recorded.
 - Incomplete indicates that a substantial piece of required work has not been completed but under circumstances which merit an extension of time.
 - 7. A grade of Incomplete may be removed only by the completion of the incomplete work within the first two weeks of the following semester unless under exceptional circumstances an exten-

- 8. It is the responsibility of a student who receives notice of Condition or Incomplete in a course to communicate with the instructor promptly and make arrangements for the removal thereof or indicate that she proposes to repeat the course or accept a grade of F.

- C. 1. In connection with a course already completed and in which the grade received was not less than C-, a student may earn an additional hour of credit by summer reading. Normally the course must have been completed in the preceding academic year. A statement of the regulations and permission cards for summer reading are available in the Office of the Dean.
 - No student may receive credit for summer reading in more than two courses in one summer.

 - 2. All work missed must be made up promptly, and in advance of an absence if it can be anticipated. The responsibility for making up work is the student's if the absence has been unexcused.

of each semester. These days are denoted "Calendar Days" on the official Calendar. If she fails to do so or if the explanation is unsatisfactory, the Dean will impose an appropriate penalty.

- 5. An excuse for a late return to college after a vacation or recess must be presented to the Dean of Students before the hour set for return to the college. If the excuse is requested because of the illness of the student, she must bring to the College Physician a letter from her home physician noting the diagnosis, any special tests done, and recommendations if any continuing treatment is indicated. If the excuse is requested because of a family emergency, a letter from the student's parent or guardian must be presented to the Dean of Students.

Unless convinced that no such breach has occurred, the instructor should urge the student to report the affair to the Judiciary Chairman of the Student Government Association. If the student neglects to do so promptly, the instructor should so report the case himself. When consulted by a student concerning suspicious work which she has observed, the instructor should advise the student to discuss the case with the Judiciary Chairman of the Student Government Association. If an instructor is in doubt about the best procedure in a given case, he should consult the Dean or the President of the College.

- 8. All unmarked storage or small articles that should be in boxes, will be taken to the storage building, where it may be redeemed only between the hours of 3 and 4:30 p.m. the first week of college. A \$5.00 fee will be charged for each unmarked article and \$1.00 for each small article not packed in a box.

IV. Resident Counselors

A member of the faculty or staff serves as Resident Counselor for each dormitory. The Resident Counselor represents the Dean of Students in the dormitory and stands ready to cooperate with the House President and other officials of the Student Government Association in the encouragement of congenial dormitory living. Early in the year

she becomes personally acquainted with each girl in her dormitory and endeavors to help old and new students to become acquainted with each other. She is ready at all times to give counsel on any personal, social or academic problem about which a student wishes to consult her.

There will be a resident-counselor-on-duty each night of the week and over the weekends to grant overnight and special permissions, handle emergencies, take telephone calls and receive telegrams that would otherwise go to the Dean of Students. When calling or wiring the college during week nights and over weekends, students should place calls or send telegrams to the Resident-Counselor-on-Duty. The telephone operator in the Information Center at Sweet Briar will know the name of the person who is serving as Resident-Counselor-on-Duty and will connect the call. The call, therefore, should be placed person-to-person to the Resident-Counselor-on-Duty at 381-5100.

Besides the Resident Counselors, others who are especially prepared to help students are the Dean of Students, the Dean and the Associate Dean, the College Physician and the Consulting Psychiatrist, the Chaplain, the faculty advisors and the faculty sponsors of each class.

V. The Mary Helen Cochran Library

The Mary Helen Cochran Library has in its collection approximately 120,000 volumes. The majority of these are shelved in the book stacks, but a certain number are shelved in other parts of the library.

A. Library facilities:

- 1. Reading Room: This is the main room and on its bookshelves are the reference books most frequently needed: dictionaries, encyclopedias, biographical dictionaries, atlases, and the loan collection of freshman readings.
- 2. Reserve Books: Reserve books for required or supplementary reading are to be found in the Reserve Rooms on the second floor and behind the Loan Desk. Reserve books may be used in either of the Reserve Rooms or in the Study Gallery.
- 3. Book Stacks: The expanded stack space provided by the addition of the Charles Dana wing was filled in the summer of 1967 and many changes in arrangement have resulted. There are maps available at the loan desk which illustrate the relocation of materials.

- 4. East Wing, Main Floor: This area with entrance from the Reading Room contains publications of the indexing services, bibliographies and the Microfilm readers and film.
- 5. Browsing Room: This is an attractively furnished room which is reserved for recreational reading, not for study. It contains 1,843 volumes, old titles and new. These books must be read in the room itself and do not circulate. They are arranged by broad subjects fiction, poetry, essays, plays, travel, etc.
- Rare Book Room: Above the lobby and loan desk is the remodeled area which contains special collections including those of the Fletcher and Williams families and Meredithiana.
- 7. Periodical Room: The currently received periodicals number approximately 700. A list of these is posted on the bulletin board. The back issues of these periodicals are bound and shelved separately in the stacks. Periodicals may not be borrowed, but must be read in the Periodical Room, or if bound, in the stacks. Daily newspapers are also kept in this room.
- 8. Music Collection: Books and periodicals in the field of music are kept in the Music Library of the Fine Arts Center, together with scores and recordings.
- 9. Art Collection: Volumes on art and periodicals in this field are housed in the Art Library of the Fine Arts Center.

- 11. Science Library: All volumes of books and periodicals in the general field of science, with special emphasis on biology, chemistry, and physics, are kept in the Connie M. Guion Science Building.

B. Library Rules:

- 2. The person who signs the book cards is responsible for the safe and prompt return of all books issued to her.
- 3. Stack books and new shelf books may be borrowed for 21 days and may be renewed. Reserve books and some reference books

- may be borrowed for overnight use only. Browsing room books, periodicals, and most reference books do not circulate.
- 4. A student taking books from any area without signing for them at the Loan Desk will be considered to be disregarding library regulations and she will be liable to Student Government discipline.
- 5. Information in regard to fines for late returns and charges for lost books will be provided each new student during her library tour.
- 6. Failure to pay fines makes a student liable to having library privileges suspended. This means that a student may not use the library in any way whatsoever until the fine is paid.
- 7. Books and periodicals are college property. Care should be taken at all times to handle them with respect. Many of the works that you will be using are out-of-print and therefore difficult and expensive to replace. Never mark or underline a library book. - 8. Personal belongings, books, notes, etc., must not be kept in the library.
- 9. Ink must not be used at the catalog, or when using reference books, or in the Browsing Room. Ink bottles may be kept on the shelf outside the Browsing Room.

VI. The Mary Harley Infirmary

The student health service is dedicated to the ideal of helping each student maintain a state of positive good health so that she may successfully perform her academic duties and derive a full measure of benefit and satisfaction from her college experience.

A. Out-patient Services: The College Physician may be consulted at the infirmary during the morning office hours. (See schedule page 111.) A nurse attends those who come during the afternoon office hour.

In case of emergency the nurse on duty may be called at any hour. She will contact the physician if necessary. Please confine non-emergency visits to office hours only.

The College Psychiatrist sees patients by appointment each Wednesday in the small parlor in Meta Glass.

The relationship between the student patient and the College Psychiatrist or the College Physician is confidential.

B. In-patient Services: Students ill enough to need to be in bed are admitted to the Infirmary. A nurse is in attendance at all times.

No visiting is allowed except by parents. Written messages may be left for patients in the box at the front door. Please do not telephone patients unless necessary, since they must get out of bed to take phone calls.

NOTE: For regulations governing absences from academic appointments due to illness see page 53 (tests or exams) and page 58 (late returns).

VII. Religious Life and Services

Sweet Briar is an independent college without denominational affiliation. Nevertheless, it has always stressed the cultivation of spiritual values as essential to true education.

From its beginning, Sweet Briar College has emphasized cooperation between people of faith within and beyond the Christian community. Even before the great modern ecumenical movement gained momentum, ecumenism was practiced at Sweet Briar and continues to be. Undoubtedly, the varied religious backgrounds of both faculty members and students enrich the whole life of the campus community. However, the individual's participation in either the academic study of religion or the College worship services is entirely voluntary.

The religious life of the College is centered in The Sweet Briar Memorial Chapel. Completed in 1966, the Chapel was dedicated on April 23, 1967, with world-renowned leaders of various denominations participating.

The regular Sunday services are held at 8:00 a.m. and 11:00 a.m. The College Chaplain normally is the minister, although during the year, guest ministers from many religious traditions are invited to speak. The Holy Communion is celebrated according to the use of the Book of Common Prayer on the second Sunday of each month. The 8:00 a.m. service on Sunday is regularly the Holy Communion.

Weekday Chapel services are held on Tuesdays and Fridays at 12:00 o'clock. Faculty members, students, and occasionally guest ministers lead these services. There is no set form, each leader being responsible for the order of service which is used. For example, during the year there are Quaker meetings, religious plays and concerts, as well as more formal addresses. A service of Holy Communion is also held on Wednesday afternoon at 5:30 o'clock.

The small chapel is used for many different services. Priests from the Father Judge Mission Seminary celebrate Mass every Sunday here. Mass is also celebrated every Tuesday and the first Friday of each month at 5:30 p.m. Confessions are heard before each Mass. Christian Science services are held regularly at 5:30 p.m. on Thursday afternoons. On Sunday, Christian Science students either attend the general service in the main chapel or the Christian Science Church in Lynchburg. Jewish students normally attend the Agudath Sholom Synagogue in Lynchburg. The small chapel is available for other services when desired. Vespers sponsored by the Y.W.C.A. are held weekly.

The Young Women's Christian Association is the only organized religious group on campus. It sponsors certain worship services and provides an outlet for social service work in the local community and in Lynchburg. It maintains a relationship with the National Board of the Y.W.C.A. which extends its interests beyond the local scene into the whole world.

Students provide the membership of the Choir, the Altar Guild, and serve on the joint faculty-student Church & Chapel Committee. This Committee is responsible for the direction and growth of the religious life of the college. It is concerned with the arrangement of the college worship services and it chooses philanthropic projects for which the church offerings are used.

Besides the Annual Religious Conference, under the auspices of the Y.W.C.A., there are many occasions at meals or elsewhere, for informal discussion of religious questions with visiting clergymen, with the Chaplain, or with other members of the faculty.

Many items usually found at the corner drug store may be secured here too.

The terrace and TV room in the Date House are always open to students and provide ideal places for moments of relaxation. The Date House hours are listed on page 111.

XI. Alumnae Association

The alumnae office is located in the Alumnae House. Mrs. Ernest M. Wood, Jr. (Elizabeth Bond, '34) is the Executive Secretary. While the principal business of this office is to act as the liaison between the college and the alumnae, to publish the *Alumnae Magazine*, to raise money for the college through the annual Alumnae Fund, and to maintain up-to-date address files for all alumnae, it also sells Sweet Briar china, glasses, and *The Story of Sweet Briar College*. Students are welcome at all times to come to the office for information about alumnae, to look at the bulletin board of current newspaper clippings, and to purchase merchandise.

XII. Book Shop

The Book Shop is located on campus and provides a readily accessible source of textbooks, trade books, supplies, and gifts. All purchases during the opening week of college must be paid for by check or cash. After October 15 charges may be made and bills will be rendered bi-monthly. An unpaid bill of fifty dollars will automatically close an account to further charges.

XIII. Communications

The college may be reached by telegraph or telephone, but calls will not be put through to the dormitory corridor phones, after 11:00 p.m., except in emergency. Telegrams are sent directly to Sweet Briar College. Money sent by wire can be received only at Lynchburg. There are telephones on each floor of the dormitories. For calls to Amherst there is a charge of ten cents (10ϕ) and to Lynchburg, fifteen cents (15ϕ) .

The U. S. Post Office is located on the ground floor of the Manson dormitory. The purchase of stamps and all other postal services are available here. At the request of the Student Government Association, students receiving special delivery mail are notified by telephone. A complete mail schedule is posted in the post office lobby at all times. Each student is assigned a post office box for rent which is payable at the beginning of the college term. In addressing students' mail to Sweet Briar, Virginia 24595, parents and friends are asked please to use the students' box numbers to expedite the delivery of the mail. It is not necessary to show Sweet Briar College or the name of the dormitory in the students' addresses.

XIV. Food Sales

Any group of students or any organization wishing to sell food or refreshments on the campus must secure permission in advance from the Dean of Students and College Physician.

XV. Laundry

Every article sent to the college laundry must be marked with a name tape sewed on and each laundry bag must be accompanied by a laundry slip. The college will not be responsible for laundry lost if sent in another student's laundry. Pads of laundry slips are on sale at the Information Center, and laundry bags shall be of adequate size to contain all laundry. Students are allowed a maximum quota per person per week of laundry to be processed by the college. Any charge for excess laundry is to be paid at the Information Center by the student concerned. Laundry goes out at 7:30 a.m. on Monday from Gray, Carson, Dew, House 1, House 3, Boxwood Inn and Meta Glass; on Tuesday from Reid and Grammer; and on Thursday from Manson and Randolph. Laundry lists should be placed inside the laundry bag which is to be securely tied.

XVI. Fire Department

Through understanding and cooperation the campus fire department assists in the avoidance of possible accidents.

Fire drills are held during the night and during the day as announced or unannounced fire drills or fire escape drills. They are designed to promote familiarity with exits and to insure proper training in case of emergency. The hall presidents will assist the house president in

clearing the floor. A faculty fire team also assists, and takes charge of the students once they have left the buildings.

XVII. Lost and Found

This service is under the supervision of the Security Police whose office is in the basement of Manson dormitory. Lost articles not claimed at the end of a year will be disposed of by the college.

XVIII. Responsibility for Property

Although the College endeavors to protect the property of its students in the same manner as its own, it will not be responsible for loss of any personal property of any student. Students are responsible for damage to College property not due to normal usage.

There is to be no painting of any college property, except the freshman hitching post. Any violation of this will mean that the individuals or the clubs responsible for the damage will be billed for paint removal.

I. ORGANIZATIONS

A. Aints and Asses

Aints and Asses is the organization that sports a name one might call distinctively different and members one might call delightfully diverse. They are a small but happy group of clownish personalities who feel no restraint by propriety. They dress in manner unorthodox and behave in manner even more so.

Their duty and pleasure is to present parodies and "take-offs" of all Paint and Patches and other campus productions. Masters of burlesque, they perform their own versions of these plays on an unusual comedy level. Intermittently, the Asses turn their thoughts to blowing whistles, for it is their perpetual concern to prevent bestial students from trampling to death the newborn grass.

B. Athletic Association

The great range and beauty of the Sweet Briar campus offer students the splendid opportunity to participate in a variety of sports. The purpose of all activities, whether organized or informal, is to promote good health, individual skill, fun and relaxation through the guidance of the Athletic Association and the Department of Health and Physical Education. Every student is entitled to the use of all athletic property, such as tennis courts, hockey and lacrosse fields, and the boathouse. To those who show the most widespread interest and participation, the Athletic Association Executive Committee awards Sweet Briar seals, medals, and blazers, the policy for which is found in the Athletic Association constitution which is presently being revised. A notice will be posted in the fall concerning any changes which are made in this constitution.

1. Dormitory Competition

a. Throughout the year, the members of the Student Body, divided according to residences, will compete for championship honors in athletics based on the final outcome of various team and individual sports.

b. A dormitory council composed of appointed representatives from each residence will administer the competition and establish a point system whereby each year's winner will be determined. The Athletic Association trophy will be engraved and placed in the winning dormitory throughout the following year.

Cabin 2.

- a. The Cabin is open to all students and members of the faculty and staff, and may be used at any time in accordance with the terms of the Athletic Association. See the A. A. Bulletin Board for detailed rules, and the Cabin calendar indicating "open" or "closed" Cabin.
- b. Students may use the Cabin in the daytime accompanied by an outing leader. Overnight groups must arrange such a trip with the Head of Outing, and abide by the outing rules governing overnight stays in the Cabin.
- c. Girls with dates may use the Cabin in the daytime when open house is announced on the College Calendar; and for picnic lunches and suppers when accompanied by an outing leader and provided they return to campus before dark.
- d. No one is to drive beyond the green gate.
- e. No one is to smoke in the woods or in the bunk room.

3. Horseback Riding

- a. No student may go riding until a written permission from parent or guardian is filed in the office of the Department of Physical Education. Protective hats and clothing suitable for fox hunting and showing are required. Riding in jeans and sneakers is not permitted.
- b. The duty of the Riding Council shall be to make, interpret, and enforce the rules for riding, subject to the laws of the Student Government Association, and the Athletic Association, to punish offenders, and to further the interests of riding at Sweet Briar. The Riding Council shall be presided over by the head of riding, and consist of a representative of the Department of Physical Education, and the following:
- 1. Jumping Leaders: Students who are formally appointed during the college year by the Riding Council, and who may supervise students who have been approved for jumping, or jump themselves when accompanied by another person (or ride alone within B limits).
- 2. Riding Leaders: Students who are formally appointed during the college year by the Riding Council, and who may take C riders on or off B limits (or ride alone within B limits).

- 3. A Riders: Students who have been approved by Riding Council and who may take C riders off B limits with permission of the instructor of the Head of Riding (or ride alone within B limits).
- 4. B Riders: Students who have passed a definite riding test and who may ride in groups of two without a riding leader off B limits are defined by the Riding Council in consultation with the Department of Physical Education. No student may ride alone off B limits. No student may jump except with an instructor or jumping leader. Hard hats must be worn.
- c. The Sweet Briar Honor Pledge covers all phases of life at Sweet Briar, including the rules for riding. Violations of the riding rules will be treated as follows:
- 1. First offense: Warning by instructor and student head of riding.
- 2. Second offense: Removal from rank (removal of B privileges).
- 3. Third offense: Loss of riding privileges for one year, payment not refundable.
- d. Annual events sponsored by the Riding Council including fall and spring horsemanship classes, horse shows, a point to point, hunter trials and fox hunting with neighboring hunts.

4. Swimming, Boating, and Canoeing

- a. No student may swim until a written permission from her parent or guardian is filed in the office of the Department of Physical Education. This permission blank is sent in the late summer to the parents.
- b. No student may swim unless accompanied by two authorized proctors. Swimming is permitted only at specified times.
- c. The Lake Council, formally appointed each college year is presided over by the Head of Lake, and consists of a representative of the Department of Physical Education and the life guards appointed by the head of lake.
- d. No student may use the rowboats until she has passed the swimming test at Sweet Briar.
- e. No student may take out a canoe until she has passed the canoe and the swimming test and unless she is accompanied by

one who has passed the canoe test. In order to use the canoes there must be at least two people using them at the same time. f. All members of the Association and their guests may use the Boathouse in accordance with the Lake Regulations posted each year on the A. A. Bulletin Board. Failure to abide by the regulations may result in the loss of complete Boathouse privileges for the remainder of a student's undergraduate year at Sweet Briar

g. By a ruling of the Board of Overseers, only members of the College Community and their house guests may use the lake for swimming. All members of the Athletic Association who do swim at the lake must follow the regulations of the Lake Council and the Physical Education Department.

5. Dance

- a. The Sweet Briar Dance Group presents on-campus dance concerts and demonstrations. In recent years the Group has performed at the Lynchburg Fine Arts Center, Randolph-Macon Woman's College and annually at the College Dance Festival in Richmond. Open try-outs are held for all performances. Members are chosen on the basis of performance, technical ability and interest. Each member must serve as an apprentice to the Dance Group, but apprentices do not necessarily become members. New members can be announced after any performance in which they have participated.
- b. The Dance Group also participates actively at Sweet Briar as demonstrators for technique classes and sponsors master classes with visiting dance artists such as Helen McGehee and and José Limon,

C. Bum Chums

"Hallelujah, I'm a Bum!" sung gaily, echoes through the halls of Sweet Briar the night of Spring Stepsinging as the Bum Chums tap their ten new members. In addition to an interest in furthering the Lynchburg-Amherst area relations with the college, the Bum Chums are chosen for their good spirit, interest, and general participation in the activities of the college.

The "notorious ten" throughout their junior year serve as useful members of the community, being active in various charity drives.

They sponsor the Bloodmobile, are in charge of the coke machines, keep the recreation room of the Date House clean and sponsor a child through the Save-the-Children-Foundation. Not least among their projects are their famed parties, the Holiday Inns.

D. Choir

The Choir is Sweet Briar's oldest student organization with a continuous tradition of over fifty years of service to the college. Its seventy-five members provide service music for the Sunday church service, music for special occasions and ceremonies, and several concerts a year, usually given with clubs from various men's colleges. Periodically the Choir takes trips to various cities or to the campuses of men's colleges for joint performances of major choral works.

In recent years it has presented Handel's Messiah with the Hampden-Sydney Glee Club, Bach's Magnifcat with the Hamilton College Choir, Bruckner's Mass in E Minor with the Colgate University Glee Club, and Stravinsky's Symphony of Psalms with the Brown University Glee Club.

Admission is by audition and members admitted are expected to continue that membership for at least one year. A gold cross and chain are awarded for four full semesters of satisfactory service.

E. Chung Mungs

This upperclass honorary society is composed of thirteen outstanding juniors and seniors, known for their friendliness, cheerfulness, enthusiasm and general interest in Sweet Briar. Their many and varied activities range from weekly sales of goodies in the dorms to an annual booth at the Christmas Bazaar. It is charateristic of this group to constantly seek new areas of activity which will benefit the College; they are always coming to the College with new ideas for new drives.

In the moments not occupied by such worthwhile pursuits the Chung Mungs must deal with the serious and sober-minded Tau Phi's, harassing and ruffling their intellectual demeanor. Whatever these ghostly thirteen do, they continue to remind us of the need of others and prove that giving need not be a sober affair. A familiar and integral element of Sweet Briar life is this fun-loving group who so gaily chant "Glory, glory, I'm a Chung Mung . . ."

F. Hispanic Society

The Hispanic Society was organized by a group of enthusiastic students desirous of promoting interest in the Hispanic world: its cultural, political, and social aspects.

The members of the society are students from all four classes who show interest in the purposes of the organization and who are willing to contribute to the fulfillment of those purposes. Membership is not restricted to Spanish-speaking students.

G. Math Club

The Sweet Briar Math Club is an organization which seeks to activate an interest in the art of mathematics and its relationships to the natural and social sciences. Open to any interested student, this group helps to acquaint the Sweet Briar student body with various branches of mathematical thought by means of guest speakers and student-sponsored projects.

H. Paint and Patches

Paint and Patches, Sweet Briar's dramatic club, was organized for the purpose of creating and developing an active interest in all branches of drama and to promote a deeper knowledge of the technique of dramatic art.

P & P also attempts to provide entertainment for the entire community and to be of assistance in any theatrical undertaking on campus.

Eligibility for membership in Paint and Patches is determined by a system of grading which evaluates the work of all candidates. The many areas of the club include scenery design, properties, lights, makeup and costumes which provide opportunities for membership to those interested in various branches of the theatre.

I. Phi Beta Kappa

In 1949, the United Chapters of Phi Beta Kappa granted a chapter, Theta of Virginia, to Sweet Briar College. Election to membership depends not only on excellent academic record but on evidence of broad cultural interests, scholarly achievement, and promise of intellectual growth.

The number of Seniors elected to Phi Beta Kappa rarely exceeds 10% of the class and may never exceed 15%. A limited number of Juniors may be considered for election.

J. Q.V.

A girl who is chosen to be a Q.V. is not taking on a new job; she is continuing her interest and work for the class. The purpose of the club is to bring together a group who share this same inter-

est. The Q.V.'s goal, that of spirit and unity, is an intangible and challenging one for each new group to work toward meeting.

Every year at Spring Step Singing, the members of Q.V. are announced. The members of this club are sophomores who have worked during the year as a group and as individuals to further class spirit. It is felt that their work will be more effective if it is done quietly.

K. Sweet Tones

Thirteen girls from the Sophomore, Junior and Senior classes compose the Sweet Tones, Sweet Briar's small independent singing group which specializes in interesting arrangements of popular music. Tryouts are held each spring and the following year, the group entertains for various social events on campus such as May Day, the Bum Chum Inns, Alumnae meetings, Board meetings, and for various organizations in the Lynchburg-Amherst area.

L. Tau Phi

Tau Phi, one of Sweet Briar's upperclass honorary societies, is composed of a limited number of juniors and seniors, who by their attitude have manifested an especial interest in furthering the ideals and traditions of Sweet Briar. Although members are chosen for many other qualities the importance of scholarship is recognized.

The purpose of Tau Phi is to stimulate interest in and to cooperate with student activity and to further the physical, spiritual and intellectual growth of the College. Throughout the year the society sponsors Sunday night lectures and panels given by Sweet Briar professors, in addition to book discussions. At Christmastime members pack baskets for the Sweet Briar Farm.

M. World Affairs Club

The purpose of the World Affairs Club is to stimulate interest in and promote understanding of international politics and problems, as well as the life and culture of any other nations. It sponsors many sorts of discussion groups among its members who also attend informative conferences at other colleges. It is affiliated with the American International Relations Clubs and the Collegiate Council for the United Nations. New members are taken in each fall.

N. Young Democrats

Affiliated with both state and national Young Democratic Clubs, the Y D's at Sweet Briar are a group organized "to stimulate an active

interest in government affairs, to increase the efficiency of popular government, and to foster and perpetuate the ideals and principles of the Democratic Party." In addition, the Young Democrats also try to recruit new members for the Democratic candidates and to acquaint students with the issues and personalities involved in all elections. Their meetings are held monthly and are open to all students who are affiliated with the Democratic Party.

O. Young Republicans

Like the Young Democrats, the Young Republicans at Sweet Brian are a group of politically-minded students who seek to provide the student body with a means for "getting practical political information." Hoping to develop all YR's on the campus into an "intelligent, active and cooperative Republican group," the Young Republicans meet monthly and invite anyone generally supporting the candidates of their party to join the club.

P. Young Women's Christian Association

1. Purpose: The Young Womens' Christian Association of the United States of America, a movement rooted in the Christian faith as known in Jesus and nourished by the resources of that faith, seeks to respond to the barrier breaking love of God in this day.

The Association draws together into responsible membership women and girls of diverse experiences and faiths, that their lives may be open to new understanding and deeper relationships and that together they may join in the struggle for peace and justice, freedom and dignity for all people.

- 2. Membership: Any member of the Sweet Briar student body may be a member of the Y.W.C.A. New members will be inducted in the early fall. Although the purpose of this organization is "... to seek to understand Jesus and follow Him," people of all faiths are welcome. All Y.W.C.A. members meet together at monthly dinner meetings where they exchange news of their projects and have speakers or programs of special interest to the Association.
- 3. The Cabinet: The Cabinet is composed of the officers, the committee and project chairmen, two freshmen representatives, and an adviser. Cabinet meetings are held at least every other week; all members of the Association are invited to attend.
- 4. Committees and Projects: In order to provide varied opportunities for service to others, the Sweet Briar Y.W.C.A. has a number of

special projects. A member is expected to work on at least one project. A summary of them follows:

- a. Annual Religious Conference: Each February the Y. invites an outstanding theologian to lead a three day conference.
- b. Worship: Members of the Y.W.C.A. lead dorm devotionals and weekly vesper services.
- c. Phyllis Wheatley Y.W.C.A.: The Sweet Briar Y. has several meetings for projects and discussions each year with this predominately Negro Y. in Lynchburg.
- d. Lynchburg Training School and Hospital: Several times a week Y. members do volunteer work with mental patients.
- e. Intercollegiate Discussion Group: This group meets monthly with representatives from three area colleges to discuss topics of intellectual interest. In addition, the Sweet Briar group also sponsors a Bible discussion group which meets weekly.
- f. Christmas Party: At Christmas the Y. gives a party for all the children of employees. This group also plans other Y. parties.
- g. Chatham and Ryan's Old Folks' Homes: The homes are visited regularly by Y. members.
- 5. Other Features: The Y.W.C.A. has an office located on the third floor of the chapel. It has a growing library of devotional materials and books on religious topics which may be borrowed by members for study or reference.

II. COMMITTEES

A. Campus Chest

The Campus Chest, a joint student-faculty committee conducts an annual fund drive and acts as a clearing house for all appeals for funds coming to the student body from sources both on and off campus. The entire committee allocates the funds raised. In addition, Campus Chest provides annually a full-expense scholarship for a student from St. Andrews University, Scotland.

Members in Campus Chest include a student chairman, faculty chairman, treasurer, secretary, publicity head, representative of the foreign students, and four faculty members appointed by the President of the College.

B. Curriculum Committee

The Curriculum Committee is organized for the purpose of representing the students and serving as a liaison between the faculty and the students on matters pertaining to the curriculum. The Committee serves as a medium of exchange for academic ideas and experiences of the faculty and students by meeting with the Committee on Instruction to present student suggestions for curriculum revision and to discuss aspects of the educational program. The Committee is composed of a representative from each of the Freshman and Sophomore classes and Junior and Senior representatives from the six major divisions of study: the Natural Sciences, Mathematics, and Psychology; Classical and Modern Languages; the Fine Arts; Social Studies, Philosophy, Religion, Sociology, and Education; English and American Studies. The representatives are nominated by their classmates and elected by the outgoing Committee.

C. Ioint Council

The Joint Council is a group consisting of three faculty, three alumnae, three students, three Board members, and the President and the Dean of the college. This group meets once a year to discuss matters of mutual concern.

D. Student Development Committee

The Student Development Committee is a group of ten students who work together with the Head of the Development Office to raise money for Sweet Briar which is allocated by an annual vote of the entire student body. The committee is responsible for keeping members of the Sweet Briar community informed of any money-making projects and urging their cooperation and support in such projects.

E. Vocational Guidance Committee

The Vocational Guidance Committee is composed of five faculty and twenty student members, including representatives from each class. The work of the committee, coordinated by the Director of Vocational Guidance, includes making arrangements for representatives of professions and vocations who visit the campus for interviews, panel discussions and lectures. The Committee also handles publicity, writing of articles for the college newspaper, tabulating results of questionnaires and maintaining the bulletin board.

III. STUDENT PUBLICATIONS

A. The Brambler

The Brambler is the college literary quarterly. By publishing poetry, prose, art work, music or any other creative endeavor of fine quality contributed by the four classes and occasionally by the faculty, The Brambler aims to recognize and to stimulate creativity at Sweet Briar and to bring varied and vital enjoyment to all readers.

B. The Briar Patch

The Briar Patch, the Sweet Briar annual, is published each spring. In the pages of The Briar Patch the staff tries to give all aspects of college life, especially the outstanding events of that year, which will serve as a permanent record and reminder when the year is over.

C. The Key

The Key is an illustrated booklet which presents an informal picture of life at Sweet Briar. It discusses some of the college traditions and customs as well as giving practical advice to incoming students.

D. The Students' Handbook

The aim of the *Students' Handbook* is to acquaint students with the rules, activities and organizations of Sweet Briar and to introduce the honor system which governs every aspect of life here. The *Handbook* forms an important source of reference throughout the year. It is published annually; a copy is sent to each freshman in the summer while upperclassmen receive copies upon return to the College in the fall.

E. The Sweet Briar News

The Sweet Briar News is the weekly newspaper published by the students. It aims to give the students, faculty, and community reports of all the news which will be of interest to them.
